GUARDIAN

SCUFF RESISTANT PAINT

HIGH-PERFORMANCE COATING
WITH MAXIMUM RESISTANCE TO SCRATCHES AND MARKS

GUARDIAN SUPERIOR QUALITY

GUARDIAN is the result of a long process of research, investigation and development, culminating in an innovative **scratch and mark resistant formula for maximum durability and minimum maintenance.**

Constant wear and tear in high-traffic environments such as hospitals, schools, gyms, offices or commercial spaces leave marks on a daily basis, forcing surfaces to be cleaned frequently, often with abrasive cleaning products.

However, cleaning and scrubbing are mechanical processes that not only remove the marks but, in most cases, wear down the paint film, ultimately deteriorating it. Products recommended for high-traffic areas are often subject to "burnishing", an increase in gloss, creating an uneven appearance and leading to a need for repainting. Closure for maintenance is expensive and, in most cases, is highly inadvisable.

GUARDIAN responds to the need to preserve high-traffic environments by reducing wall maintenance requirements, avoiding a need for continuous touch-ups and repainting.

GUARDIAN is a semi-matt coating with an extraordinary level of washability, without leaving gloss marks, keeping walls clean and in perfect condition for longer

High resistance

High-traffic areas

Excellent ease of cleaning

GUARDIAN

SCUFF RESISTANT PAINT

HIGH PERFORMANCE DECORATIVE COATING
FOR HIGH-TRAFFIC AREAS

HEALTHCARE FACILITIES

The high number of stretchers, wheelchairs and cleaning equipment in hospital corridors make damage to walls almost inevitable.

GUARDIAN delivers unyielding defense against this wear and tear and makes the walls of these spaces look more homogeneous and durable.

EDUCATIONAL INSTITUTIONS

In an environment where young people and educators are focused on learning, the condition of classrooms, corridors and other spaces should not be a concern.

GUARDIAN is an effective solution to guarantee the durability of the walls appearance.

RESIDENTIAL AND HOSPITALITY

Whether in the comfort of our own homes or in a busy hotel, the aesthetic appearance of spaces is of great importance and the walls must always be immaculate, requiring minimal maintenance.

With **GUARDIAN**, heavy traffic in the area of catering and hospitality does not compromise the elegant appearance of walls.

SPORTS CENTRES

The permanent use of a space dedicated to sports requires an environment that is resistant to wear and tear.

GUARDIAN offers a solution to maintain walls looking at their best despite continuous impacts.

GUARDIAN

SCUFF RESISTANT PAINT

HIGH-PERFORMANCE DECORATIVE COATING FOR HIGH TRAFFIC AREAS

GUARDIAN is a high-performance decorative coating enriched with polyurethane resins that guarantee maximum resistance for the protection of interior walls, making it especially suitable for high-traffic areas.

GUARDIAN's ultra-innovative technology offers exceptional resistance to scratches and marks in a highly washable, semi-matt finish.

- ✓ High durability
- ✓ Excellent resistance to scratches and marks
- ✓ Excellent resistance to dirt and easy to clean
- ✓ Excellent opacity
- ✓ Excellent applicability
- ✓ Resistant to the development of fungi
- ✓ Available in semi-matte finish

GUARDIAN

Guardian for walls against scratches and marks.
